Congratulations! You're a 2022 Diners' Choice winner!

Your restaurant is a favorite with OpenTable diners this year.

OpenTable Diners' Choice winners are based on feedback from diners who booked through us and dined with you. To see which categories you've won, please visit your restaurant's OpenTable profile, go to the "reviews" section, and you'll see them listed under "Loved For."

These awards celebrate top-rated restaurants, giving them greater visibility on OpenTable. Diners love these lists and use them to discover new restaurants to try. Each month, we feature Diners' Choice winners on our website and in emails to our millions of diners.

Don't miss out on the opportunity to take advantage of the value associated with your awards. Share your win through your social media accounts and add your Diners' Choice Winner 2022 badge to your website by following the instructions at
